FACTS COMMON TO ALL CLAIMS

A. Plaintiff's Copyright Ownership

10. Plaintiff is a professional photographer by trade who is the legal and

rightful owner of certain photographs which Plaintiff commercially licenses.

11. Plaintiff has invested significant time and money in building Plaintiff's photograph portfolio.

12. Plaintiff has obtained active and valid copyright registrations from the United States Copyright Office (the "USCO") which cover many of Plaintiff's photographs while many others are the subject of pending copyright applications.

13. Plaintiff's photographs are original, creative works in which Plaintiff owns protectable copyright interests.

14. On January 25, 2010, Plaintiff first published the Photograph. A copy of the Photograph is attached hereto as Exhibit 1.

15. In creating the Photograph, Plaintiff personally selected the subject matter, timing, lighting, angle, perspective, depth, lens, and camera equipment used to capture the image.

16. On April 5, 2018, the Photograph was registered by the USCO under Registration No. VA 2-097-512.

17. Plaintiff created the Photograph with the intention of it being used commercially and for the purpose of display and/or public distribution.

B. Defendant's Infringing Activity

18. Defendant is the registered owner of the Website and is responsible for

its content.

19. Defendant is the operator of the Website and is responsible for its content.

20. The Website is a key component of Defendant's popular and lucrative commercial enterprise.

21. The Website is monetized in that it sells pest control services to the public and, upon information and belief, Defendant profits from these activities.

22. On or about January, 2017, Defendant displayed the Photograph on the Website at [URL:https://www.bowcolabs.com/pest-control-matawan-nj-termites-bed-bugs-exterminators-carpeneter-bees/](https://www.bowcolabs.com/pest-control-matawan-nj-termites-bed-bugs-exterminators-carpeneter-bees/). A copy of a screengrab of the Website including the Photograph is attached hereto as Exhibit 2.

23. The Photograph was stored at URL: <https://www.bowcolabs.com/wp-content/uploads/2017/01/matawan-nj-pest-control.jpg>.

24. Without permission or authorization from Plaintiff, Defendant volitionally copied and/or displayed Plaintiff's copyright protected Photograph on the Website.

25. Plaintiff first observed and actually discovered the Infringement on April 11, 2022.

26. Upon information and belief, the Photograph was copied and displayed by Defendant without license or permission, thereby infringing on Plaintiff's

copyrights in and to the Photograph (hereinafter all of the unauthorized uses set forth above are referred to as the “*Infringement*”).

27. The Infringement includes a URL (“*Uniform Resource Locator*”) for a fixed tangible medium of expression that was sufficiently permanent or stable to permit it to be communicated for a period of more than a transitory duration and therefore constitutes a specific infringement.

28. The Infringement is an exact copy of the vast majority of Plaintiff’s original image that was directly copied and displayed by Defendant on the Website.

29. Upon information and belief, Defendant takes an active and pervasive role in the content posted on its Website, including, but not limited to, copying, posting, selecting, commenting on and/or displaying images including, but not limited to, Plaintiff’s Photograph.

30. Upon information and belief, the Photograph was willfully and volitionally posted to the Website by Defendant.

31. Upon information and belief, Defendant is not registered as an internet service provider with the USCO pursuant to 17 U.S.C. §512.

32. Upon information and belief, the Infringement was not posted at the direction of a “user”, as that term is defined in 17 U.S.C. §512(c).

33. Upon information and belief, Defendant was aware of facts or circumstances from which the determination regarding the Infringement was

apparent. Defendant cannot claim that it was not aware of the infringing activities, including the specific Infringement which forms the basis of this complaint, since such a claim would amount to only willful blindness to the Infringement on the part of Defendant.

34. Upon information and belief, Defendant engaged in the Infringement knowingly and in violation of applicable United States copyright laws.

35. Upon information and belief, Defendant has the legal right and ability to control and limit the infringing activities on its Website and exercised, and/or had the right and ability to exercise, such right.

36. Upon information and belief, Defendant monitors the content on its Website.

37. Upon information and belief, Defendant has received a financial benefit directly attributable to the Infringement.

38. Upon information and belief, the Infringement increased traffic to the Website and, in turn, caused Defendant to realize an increase in its pest control service sales.

39. Upon information and belief, a large number of people have viewed the unlawful copy of the Photograph on the Website.

40. Upon information and belief, Defendant at all times had the ability to stop the reproduction and display of Plaintiff's copyrighted material.

41. Defendant's use of the Photograph, if widespread, would harm Plaintiff's potential market for the Photograph.

42. On February 22, 2023, Plaintiff, via counsel, served a letter seeking to address the complaints contained herein concerning Defendant's infringement of Plaintiff's rights-protected work.

43. Despite Plaintiff's efforts and willingness to address Defendant's infringing activity, Defendant failed to respond and Plaintiff was forced to seek judicial intervention for Defendant's infringing activity.

44. As a result of Defendant's misconduct, Plaintiff has been substantially harmed.

FIRST COUNT

(Direct Copyright Infringement, 17 U.S.C. §501 et seq.)

45. Plaintiff repeats and incorporates by reference the allegations contained in the preceding paragraphs, as though set forth in full herein.

46. The Photograph is an original, creative work in which Plaintiff owns a valid copyright.

47. The Photograph is properly registered with the USCO and Plaintiff has complied with all statutory formalities under the Copyright Act and under regulations published by the USCO.

48. Plaintiff has not granted Defendant a license or the right to use the Photograph in any manner, nor has Plaintiff assigned any of its exclusive rights in

the copyright to Defendant.

49. Without permission or authorization from Plaintiff, and in willful violation of Plaintiff's rights under 17 U.S.C. §106, Defendant improperly and illegally copied, reproduced, distributed, adapted, and/or publicly displayed a work copyrighted by Plaintiff thereby violating one of Plaintiff's exclusive rights in its copyrights.

50. Defendant's reproduction of the Photograph and display of the Photograph constitutes willful copyright infringement.

51. Upon information and belief, Defendant willfully infringed upon Plaintiff's copyrighted Photograph in violation of Title 17 of the U.S. Code, in that Defendant used, published, communicated, posted, publicized, and otherwise held out to the public for commercial benefit, Plaintiff's original and unique Photograph without Plaintiff's consent or authority, by using it on the Website.

52. As a result of Defendant's violation of Title 17 of the U.S. Code, Plaintiff is entitled to an award of actual damages and disgorgement of all of Defendant's profits attributable to the infringement as provided by 17 U.S.C. § 504 in an amount to be proven.

53. As a result of Defendant's violation of Title 17 of the U.S. Code, Plaintiff is entitled to injunctive relief to prevent or restrain infringement of his copyright pursuant to 17 U.S.C. § 502.

JURY DEMAND

54. Plaintiff hereby demands a trial of this action by jury.

PRAYER FOR RELIEF

WHEREFORE Plaintiff respectfully requests judgment as follows:
